FullColor Print

**YOUR
BRAND
NAME**

Lead Time 8-10 weeks.

Call (856) 513-6610 for up-to-date lead times.

Minimum Order: 6 Stations

Hands-free device. It is motion activated and will dispense when the hand is placed under the sensor. Most GELS will work with this station.

Can it be mounted on a wall? Yes, kit does come with screws.

Can you send just the unit and no stand? No, it is boxed as a kit.

Can it be set on a counter? No, it is not designed to be set on a counter.

Do you have to use gel? Works best with gel. Liquid may cause puddles.

Can you print directly on the unit. No, printing is on a full color laminated card.

Is reservoir hard plastic or a bladder bag? Hard plastic with cap for filling.
