

We are honored and grateful that the printing industry has been named an essential business during this unpredictable time. When we opened our business in 1973, we took a vow to serve our customers honestly and to the best of our ability and we are so excited that we can continue to serve in this way today & moving forward.

We are happy to say that Bellia is open for business while working within the guidelines of the CDC and our local governments. Our presses are up and running, our supply chains for paper, ink and supplies are open and the United States Postal System is flowing normally. We will be keeping our copy centers and commercial print operations open under an adjusted schedule. Our Woodbury and Glassboro locations will be open Monday through Thursday from 9am-4pm.

Our stores are open and all customers are always welcome but we are asking everyone to utilize our curbside pickup service or have their printed materials shipped via UPS or FedEx for delivery.

To use our curbside pickup services:

1. Woodbury Location: Email your order to [quotes@belliaprinting.com](mailto:quotes@belliaprinting.com)
2. Glassboro Location: Email your order to [glassboro@belliaprinting.com](mailto:glassboro@belliaprinting.com)
3. Prepay for your order by credit card through email or phone.

We are also taking additional sanitation measures in our stores to keep our customers and staff safe, including two scheduled cleanings per day of all high traffic areas and commercial machines. Please let us know if you have any questions or feedback. We will keep you updated on any further changes if it becomes necessary. We appreciate your continued business!

Thank you!
